

ANN ARBOR PUBLIC SCHOOLS

Educational Foundation

Ann Arbor has always boasted excellence in education. The state education-funding model jeopardizes excellence in our schools and compromises the standards that Ann Arbor expects. The Ann Arbor Public Schools Educational Foundation is helping to preserve continued long-term excellence in our schools.

We are asking all members of the Ann Arbor community to support AAPSEF at a level that is manageable for them. Everyone has different circumstances, but we are all a part of the same community.

Be Part of the Solution.

Please consider donating through payroll deduction to support excellence in education.
