

Dykema becomes first member of Educational Foundation Founder's Society

Dykema, one of Michigan's largest law firms with offices throughout the state including Ann Arbor, has become the first member of the Ann Arbor Public Schools Educational Foundation Founder's Society (AAPSEF). Dykema has a strong belief and a commitment to public education. By supporting the Educational Foundation, Dykema shows leadership in the need for increased community support of programs providing excellence and innovation in public schools as a result of diminished state funding. The Educational Foundation is expanding its support to the Ann Arbor Public Schools beyond the teacher grants that have been its hallmark for the past ten years.

The AAPSEF is committed to helping all Ann Arbor Public Schools students achieve their highest potential by providing community support for innovative educational opportunities within the Ann Arbor Public Schools. The AAPSEF was founded in 1990 by a group of concerned citizens to enhance the quality of education in the Ann Arbor Public Schools. The Ed Foundation, an autonomous not-for-profit corporation with its own bylaws and a 501(c)(3) tax-exempt status, is separate and distinct from the Ann Arbor Public Schools.
